

Supporting Some Great Causes

The focus of the SNAP Fitness Corporate Adventure Challenge is on **Fun, Family and Fitness**. We want to encourage everyone who wants to get involved to do so. All proceeds raised throughout the day will go to support some very worthwhile local charities. Plus, we will be collecting food for the Milton and area food bank.

Presented In Part By:

The Challenge Family & Community Foundation

As the co-ordinator of this fantastic community event, The Challenge Family & Community Foundation is a federally registered charitable organization that is dedicated to helping smaller, locally-based charities and non-profits generate funding to become self-sufficient.

Rise To The Challenge!

Who Can Enter?

Individual car and motorcycle owners, clubs and local auto enthusiasts from any era are invited to come and show off their vehicles. There is no cost.

As this is a fund raiser, everyone is invited to make a donation toward the Challenge Foundation group of charities. Clubs are welcome to organize fund raising efforts and make a presentation at the Challenge Reception on the Friday night before the Event.

A great event for some great causes.

How Do You Enter?

All we require is that you complete a Registration Form. Simply, contact the Challenge office at 905-854-5837, email us or download the Registration form from our website. Once completed, fax it back to us at 905-854-3637. We will send you a confirmation email and details of the layout and arrival times. It's that easy!

Be A Part Of It!

The SNAP Fitness Corporate Adventure Challenge is an exciting day of friendly competition where Teams navigate an exciting on and off-road obstacle course at the spectacular Kelso Conservation Area.

Fun

As one of the premier community charity events, the Corporate Challenge guarantees to be fun for the whole family. Attracting over 1,000 competitors and open to the public, this exciting relay race combines the challenge of an obstacle course with the best of Team competition.

And, you don't have to be a professional athlete to compete. The course is designed to allow participants to challenge themselves at their desired fitness level with

awards given out in a variety of different categories. It is a relay race and the objective is simple. The Team with the fastest time wins.

Family

When you think of Milton you think of the great outdoors. Open spaces, the beautiful Escarpment and spectacular conservation areas.

Join local businesses as they invite you to celebrate everything Milton and Halton Region have to offer as we raise money for some

very worthwhile local charities. Our goal is to showcase our Community and give families an opportunity to have some fun.

Parents and children will get a chance to learn what our emergency services do in keeping us all safe and see firsthand emergency service vehicles on display. As the race takes place in the Fall, competitors and spectators can enjoy the magnificent colours of the Escarpment and enjoy a fun-filled day with family and friends.

Fitness

The course consists of 7 stages and winds its way throughout the entire Park. Nowhere else can you bring your co-workers, friends and family for a day like this. And, nowhere else can you have this much fun while helping some great causes.

We can't promise that you won't get wet, a little dirty and even a little tired. But, we can promise that you will have the time of your life doing it!

SOMETHING FOR EVERYONE

From classic cars to local artisans, a Kids Adventure Zone and even a Pancake Breakfast. We have something for every member of the family. Hike through the trails, visit Country Heritage Park or just sit back with some great food and listen to the music. As part of our Emergency Services Recognition Day we will be hosting the 1st Annual Emergency Services Tug-Of-War competition that will take place on at Country Heritage Park.

Spectators Welcome!
